

“My sincere thanks to those who celebrated mass with me and participated in the consultation on Tuesday evening in St. John the Baptist Church hall. I was very moved by the celebration and by your input in the public meeting regarding the recommendation for the closure of the church. Further consultation will be taking place in the coming weeks and I encourage as many people as possible to participate and provide me with feedback regarding this recommendation. During this Year of St. Joseph we entrust this difficult process to his care and intercession.”
